A BRIEF DESCRIPTION (LESS THAN 500 CHARACTERS) OF YOUR PROJECT:

PROPOSAL: Please attach a detailed research project proposal (two pages or less, 12 point font, double spaced), addressing the following:

- 1) Describe existing data or observations that provide motivation and context for your study, and outline the questions that you intend to answer. What is your hypothesis, and which methods will you use to test your hypothesis?
- 2) What is the new and unique contribution of your study, and how does it extend existing knowledge? Does your work have any potential to influence public policy?
- 3) If you were a member of the selection committee, what concerns would you have about the proposal? What logistical or analytic challenges do you anticipate, and how will you address these risks?
- 4) How will you ensure your research is transparent and that your data and results are made available to the public?

BUDGET TEMPLATE

Please estimate project costs using the template below. Note that while you may request up to \$2,000 the selection committee has discretion to award the dollar amount they feel is appropriate. Please list other funding you have received for this research project, if any.
